

The mission of Nordic United is to promote and provide motorized winter recreation in the Cache Valley area.

In the past year we provided and sponsored:

- Several miles of groomed ski trails in the Cache Valley area (thanks to over \$19,000 in donations!)
- Advocacy with public land agencies to increase your access to backcountry trailheads and additional groomed trails
- Fun, affordable (often free) instruction in telemark, cross-country, and skate skiing
- Information on backcountry winter safety via the Cache County Search & Rescue Safety Expo
- On-snow events such as the GenXC kids' program, Utah Special Olympics, Winter Trails Day, the Ullr Chase ski race, and the 1st-ever CROWBAR backcountry race!

All these activities rely on the volunteer efforts, monetary donations, and in-kind donations of our generous members. Please help launch the 2009-2010 season by joining or renewing today!
